

## Nominations now being accepted for the IPEP Annual Awards Program!

---

The Institute of Professional Environmental Practice is seeking nominations for the **2010 IPEP awards**. In an effort to **recognize** our **most outstanding** members, the awards program was started in 2006. **Nominate a deserving** member by March 31.

*All QEPs, EPIs, and Emeritus members are eligible!*

---

**Award nominations should highlight one or more of the following areas, reflective of the values of IPEP and its membership:**

1. Professional standards and ethics
2. Professional development and mentoring
3. International collaboration and cooperation
4. An interdisciplinary management approach
5. A multi-media technological solution
6. Lifetime achievement in environmental practice

\* An award may be designated in one of these six categories or granted without designation.

---
